SERVICE)	

O R D E R

On December 18, 1992, the Commission received an application from AT&T Communications of the South Central States, Inc. ("AT&T") requesting to reduce rates for certain of its General Services Tariff and Custom Network Services Tariff offerings within the Commonwealth. In its filing, AT&T requested a deviation from the requirements of 807 KAR 5:001, Section 10(1)(c), and 807 KAR 5:001, Sections 6(1) through 6(9).

807 KAR 5:001, Section 10(1)(c), requires a property schedule listing the applicant's cost and net original cost to be attached to the application. 807 KAR 5:001, Section 6, requires that a financial exhibit covering operations for a 12-month period ending not more than 90 days prior to the date the application is filed to be attached to the application.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review AT&T's filing. Therefore, its request for a deviation from the above-cited regulations is granted.

IT IS THEREFORE ORDERED that AT&T's request for a deviation from the requirements of 807 KAR 5:001, Section 10(1)(c), and 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 6th day of January, 1993.
